

## Organizing Committee :

Prof. George Paul (HOD)  
Dr. Sheeja Mathews  
Dr. Suma N.  
Dr. Apsara A.P.  
Dr. Sarau Devi  
Dr. Biju Mathew  
Dr. Manohar D. Mullassery  
(Organizing Secretary)  
Dr. Noeline B. Fernandez  
Mrs. Mary Nancy T.E  
Mrs. Mini V.  
Dr. Shibu Joseph  
Mrs. Sherin Mol C. B.

## State Level Seminar on Green Chemistry - Environmental and Economic Benefits

Fatima Mata National College, Kollam - 691001  
(NAAC Re accredited - 'A' Grade)

ON  
24. 06. 14 TUESDAY

Organized by  
Research & Post Graduate Department of Chemistry

Sponsored by the  
Kerala State Council for Science Technology  
and Environment

In Association with  
Academy of Chemistry Teachers (ACT)

### Programme

- |          |   |   |
|----------|---|---|
| 9.00am   | : | Registration  |
| 9.30 am  | : | Inauguration  |
| 10.00 am | : | Tea Break   |
| 10.15 am | : | Invited Talk - 1 - Dr. K.N. Rajasekharan<br>(Prof. Emeritus, Dept. of Chemistry,<br>University of Kerala) |
| 12.30 pm | : | Lunch Break   |
| 1.30 pm  | : | Invited Talk - 2 - Dr. I.G. Shibi<br>(Associate Prof., SN College,<br>Chempazhanthy)                      |
| 3.30 pm  | : | Valedictory Function  |

### Call for Papers

The paper should be submitted as email attachment on or before  
10.06.2014 to [mdmullassery@gmail.com](mailto:mdmullassery@gmail.com).

The manuscript should be typed in Times New Roman with font size 12.  
1m x 1m space will be provided for poster presentation (proceedings will be  
published)

### Registration Fees:

Students	Rs. 100/-
Research Scholars	Rs. 250/-
Faculty from Educational Institutions	Rs. 500/-

NB: The participants are eligible for duty leave

Fatima Mata College was founded in 1951 by His Excellency Rt. Rev. Dr. Jerome M. Fernandez with view to providing facilities for higher education in the Diocese of Quilon. This year the college is Celebrating its 63<sup>rd</sup> year of committed service in the field of higher education.

Dept. of Chemistry was established in 1952 with BSc. Chemistry course. The department now offers BSc. Chemistry, BSc. Polymer Chemistry & MSc. Chemistry. In 2013 the department was elevated to Research Centre.

Green chemistry, also called sustainable chemistry, is a philosophy of chemical research and engineering that encourages the design of products and processes that minimize the use and generation of hazardous substances. Green chemistry seeks to reduce and prevent pollution at its source. To provide insight to our students into the field of Green Chemistry, the Department of Fatima Mata National College, Kollam is organizing a seminar on Green Chemistry-Environmental and Economic Benefits.

The Department extends a very warm welcome to students, researchers and academicians to the seminar.

Dr. Sr. Soosamma Kavumpurathu  
Principal
