

25 July 2015, Saturday
11.30 to 1.00 p.m. & 2.00 to 3.30 p.m.

Invited Lecture on Group theory

Resource Person:

Dr. A. Salahuddin Kunju
Former Principal
University College, Thiruvananthapuram

The Upcoming programmes of ACT

27 - 29 July 2015

Dept of Chemistry
MSM College, Kayamkulam
UGC Sponsored seminar on 'Computational Chemistry'.

30 July 2015

M G College, Thiruvananthapuram
Invited Lecture on Pericyclic Reaction

Resource Person:

M. N. Peethambaran Achari
Professor (Retired)
University College
Thiruvananthapuram

04 August 2015 to 06 August 2015

Dept of Chemistry
S N College, Chengannur

UGC Sponsored seminar on 'Machine Learning Approaches,
A New Trend in Quantum Mechanics'.

ACADEMY OF CHEMISTRY TEACHERS
Thiruvananthapuram, Kerala

in association with
Department of Chemistry,
University College
Thiruvananthapuram

cordially invite you to the

**Inaugural function
of
Silver Jubilee Celebrations of ACT**

on 25th JULY 2015 at 9.30 AM

Venue:

*Department of Chemistry,
Thiruvananthapuram*

Head
Department of Chemistry
University College

General Secretary
Academy of Chemistry Teachers

Academy of Chemistry Teachers (ACT)

Academy of Chemistry teachers is a fraternity of College Chemistry Teachers of Kerala. Ever since its inception in 1991, ACT has been actively involved in promoting the spirit and relevance of chemistry among students and teachers by updating their knowledge in emerging frontiers of the discipline.

ACT was formed by a group of eminent Chemistry teachers from various colleges in Kerala at a meeting in Mar Ivanios College in 1991. The membership of ACT now spreads across colleges and university departments in the state of Kerala. During the past 25 years ACT has been taking long strides forward in improving the content and quality of college level chemistry education by updating the syllabi and by conducting beneficial programs in appropriate manner for nurturing interest in chemistry teaching and research. ACT could associate with CSIR, New Delhi for research collaboration and with Royal Society of Chemistry, London for quality improvement of chemistry education in schools. Thus ACT has been elevated to a reputed professional academic body which enjoys national as well as international recognition. ACT acknowledges the support and cooperation it received from its members for carrying out its mission for the past 25 years. Let's join hands in celebrating the Silver Jubilee Year of ACT with activities befitting its mission.

PROGRAMME

- Date : **25-07-2015, Saturday**
- Time : **9.30 a.m.**
- Venue : **University College**
- Prayer
- Welcome : **Dr Balachandran S**
Gen Secretary, ACT
- Presidential Address : **Dr. V. Sadasivan**
President, ACT
- Inauguration : **Dr. Suresh Das**
Executive Vice President
KSCSTE & Principal Secretary,
S & T Dept, Kerala
- Felicitation : **Dr.Thankamani N.K**
Principal, University College
Dr. M. S. Suseelan
Founder Gen. Secretary, ACT
Dr. Abraham George
Former Gen. Secretary, ACT
Dr. I G Shibi
Former Gen. Secretary, ACT
- Vote of Thanks : **Dr. G.S Thara**
Associate Professor, Dept. of Chemistry
University College
