# JOURNAL OF THE ACADEMY OF CHEMISTRY TEACHERS

a biannual peer-reviewed research journal of chemistry

Vol : 1 (1) • June 2015 • ISSN 2395-6801

**Journal of the Academy of Chemistry Teachers (JACT)** is a biannual peer reviewed journal published by the Academy of Chemistry Teachers, established in the year 1991. The journal is intended to promote innovative research in various novel fields of chemistry. The journal will cover all aspects of organic, inorganic and physical chemistry. Along with the frontier areas of chemistry like computational chemistry, combinatorial chemistry, green chemistry and nanochemistry, JACT aims to cover interdisciplinary areas such as chemistry education, chemistry of traditional medicines (ayurveda, siddha, homeopathy), biochemistry, cheminformatics, chemistry of materials, chemical technologies, chemistry of environment etc. **JACT** will publish review articles, short articles of popular interest and original research articles in any field of chemistry. **JACT** is intended to become a good journal for chemistry in its broadest sense.

## CONTENTS

---

1. Removal of dyes using a composite cation exchanger-Acrylamide Cerium(IV) Phosphomolybdate  
**Apsara A.P and Beena B** ..... 1
2. Spectral, thermal and structural studies of gel grown zinc succinate: A 3D MOF with nonlinear optical properties  
**Dhanya V.S and Sudarsana Kumar M.R** ..... 4
3. Transition Metal Free Higher Order Cycloaddition Reactions in Synthesis  
**Syam Krishnan K** ..... 7
4. Microwave assisted green chemistry synthesis of polymer grafted banana stem for the environmental remediation  
**Noeline B Fernandez, Manohar D Mullassery and Surya R** ..... 10
5. Effect of phenolic moieties on the properties of  $\gamma\text{-Fe}_2\text{O}_3$  nanoparticles  
**Yadhukrishnan Raji R Krishnan, Parameswaran P.S and Prema K.H** ..... 13
6. Science sans borders: A biochemistry perspective to interdisciplinary education  
**Prakash Chandran R and Sobha Vijayan Nair** ..... 15
7. Extinction Coefficient and Solvent Dependency of Gold Nanorods  
**Shibu Joseph S.T** ..... 17
8. Effect of Temperature on the Shelf Life of an Ayurvedic Formulation -  
*Nayopayam Kashaya*  
**Balachandran S and Sudha Devi R** ..... 20

## INSTRUCTIONS TO CONTRIBUTORS

### Submission of Manuscripts

**JACT** welcomes reviews on recent topics in all branches of chemistry. Any work in chemistry can be submitted as original research paper. Submission of an article implies that it has not been previously published. A short article of popular interest to the academic and student community is also solicited.

All manuscripts should be submitted electronically as an attached file from the original e-mail address of corresponding author to Email: secretary14act@gmail.com.

### Manuscript Preparation

The manuscript must be prepared as MS Word in single column with double line spacing. Illustrations should be in Chem Sketch or Chem Draw or as picture in MS Word Version 6 onwards or as JPEG or TIFF files. Abbreviations if any, should be defined the first time they are used. IUPAC units and symbols are recommended.

Manuscripts should be divided into: Title, Authors, Affiliations, Abstract, Keywords (at least five), Introduction, Result and Discussion, Materials and Methods, Conclusion, Acknowledgements, References, Tables, Figures, Schemes, Captions and Graphical Abstract. All authors' full mailing address, phone numbers and E-mail address should be provided. The corresponding author should be identified with an asterisk mark.

**Paper Length:** The recommended research paper length is 4 printed pages.

**Abstracts:** Abstracts should provide a brief account of the importance of the work, the main results and the extracts of conclusion. It should not exceed 100 words and should not contain any references.

**Keywords:** 4-6 keywords must be included on a separate line below the main abstract.

**Text:** The text should be in MS word, Times New Roman font size 12. Simple running matter in double-spaced form with paragraph separation is suggested. The Illustrations, Figures, Tables, scheme etc can be embedded in the running matter in appropriate place; however they should be attached separately along with the main article in TIFFS or JPEG formats with proper legends. Every page of the manuscript, including the title page, references, tables, etc. should be numbered.

**References:** References should be given as shown below.

1. Love J C, Estroff L A, Kriebel J K, Nuzzo R G & Whitesides G M, Chem Rev; 105, **2005**, 1103-1169. Authors are encouraged to suggest the names of reviewers.

**Processing fee. Processing charge for publication will be Rs. 1000/- per paper with a maximum content of ten pages (double spaced typed A4 sheets) including figures and tables. Additional pages will cost Rs. 100/- each. (Colored figures / tables cost extra – which will be communicated after the acceptance of the paper).**
